SESSION: MANAGING WATER AND WASTE IN METROPOLITAN AREAS

DATE: WEDNESDAY 21 JUNE 2017

TIME: 15:30-17:00

VENUE: THE PALAIS DES CONGRÈS | ROOM 519

WITH: WORLD WATER COUNCIL | UNITED CITIES AND LOCAL GOVERNMENTS

Objectives and outputs

- Contribute to the discussion with other mayors and stakeholders from around the world to reflect on contemporary water-related challenges evoked in various global frameworks;
 - Discover practical and replicable actions to support sustainable and resilient urban growth through improved water resources management;
 - Learn about synergies with the 2030 Development Agenda, the New Urban Agenda, the Paris Agreement on climate, the Sendai Framework through the prism of water;
 - Provide an occasion for all stakeholders and local decision makers to engage, exchange, and learn about the International Conference of Local and Regional Authorities on water, which will take place during the World Water Forum week;
 - Participate in the consultation to frame the upcoming International Conference of Local and Regional Authorities on water and share your ideas for the development of the Conference's program.
