

MAKE A DIFFERENCE FROM THE BEGINNING

Members are the heart of the World Water Council with an essential role both in its Governance and its endeavours. Each active member holds one vote meaning all World Water Council members enjoy the same rights and benefits. By joining, your voice would help form the ultimate authority of the World Water Council, its future orientation, its budget and its activities.

PLAN FOR TOMORROW, ACT TODAY, APPLY NOW

Whilst its goals are huge, applying is easy and membership of the World Water Council is open to any organisation with an interest in water issues that accepts the missions and objectives of the World Water Council as defined in its Constitution and By-laws. Find out more about the acceptance process and fees here:

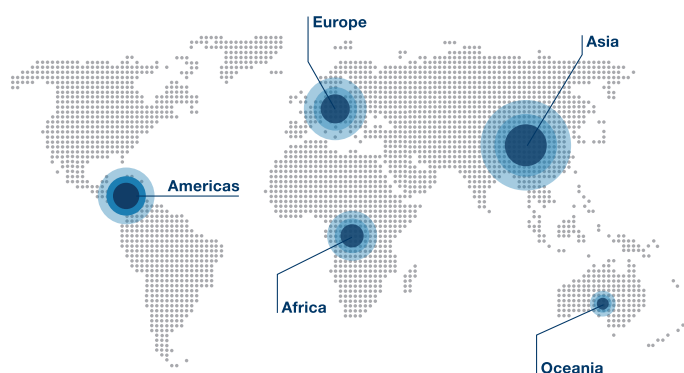

or visit us at:

www.worldwatercouncil.org/en/membership

A **Membership Solidarity Fund** has also been established to encourage participation from low-income countries. Upon successful application, membership fees will be partly subsidised through donations from other members. Find out more by contacting us!

TOGETHER, FOR WATER, FOR EVERYONE

WATER UNITES US ALL.

Whether viewed as a right, a resource, or life source, it should be our most accessible and universal commodity. Challenges abound and there is much work to be done, the role of the World Water Council has never been so important.

JOIN US! WE SPEAK LOUDER AS ONE

The World Water Council unites world-renowned organizations who all strive for the same cause: catalyzing action to achieve water security for all. We need the brightest minds, the most committed public figures and we need investors with the foresight to see the opportunities that lie behind the work ahead. Be part of the global platform and join a network of stakeholders from all sectors, regions and disciplines.

SOME FACTS AND FIGURES

**FOUNDED IN 1996,
AS A KEY PLATFORM**
for raising awareness and mobilizing action
on critical water issues at every level

**MORE THAN 300
MEMBER ORGANIZATIONS**
across all continents.

Members elect the Board of Governors,
**ONE MEMBER
ONE VOTE**

IMPACT TOMORROW'S WATER ISSUES

By joining, you become part of a community of professionals who actively make an impact on tomorrow with:

- Opportunity to provide input to the World Water Council's ongoing programs to help solve current and future challenges
- Special involvement in framing the World Water Forum and influencing its thematic, political and regional agendas
- Help the World Water Council stay ahead of the curve by sharing your knowledge and experience whilst gaining access to cutting edge research and innovations

MAKE YOUR VOICE HEARD, CONNECT TO THE RIGHT PEOPLE

Members get direct access to key players and stakeholders working actively on water issues with exclusive networking opportunities around the globe:

Civil Society and water users organisations.

Enterprises and facilities

Governments and government authorities

Intergovernmental organisations

Professional associations and academic institutions
