## The European Water Association

The European Water Association (EWA) is an independent non governmental and non-profit making organisation promoting the sustainable and improved management of the total water cycle and hence the environment as a whole. It is one of the major professional associations in Europe that covers the whole water cycle with member associations from nearly all European Countries.

EWA aims to provide a pan- European forum for the discussion of key technical and policy issues affecting the growing European region and to contribute more directly to the development of water related European policies, as an NGO representing a wide scope of water professionals and specialists.

### Our Vision – Clean Water for Europe

EWA promotes the sustainable management of the total water cycle and hence the environment as a whole. EWA understands the need for the sharing of water by man and nature, by industry and homes, between countries, with social justice and equality and the need for good management and technology to ensure the sensible use of resources.

EWA is a source of knowledge, experience and expertise which can be shared for the greater good of the people of Europe. EWA is willing to act as a platform for knowledge and knowhow exchange between its members and the European institutions. Since its creation, EWA seeks „Clean Water for Europe“. This emphasizes our common responsibility in promoting water related actions – information exchange, expertise contributions, environmental education and good cooperation with the societies and other actors.

## Information about the conference

### Registration

The conference fee for delegates is EUR 390,- (VAT exempt) and for our National Associations (with proof of membership) EUR 320,- . The fees are exempt of VAT. For students and groups, please contact the EWA Secretariat for more information.

The registration is binding. You can register until November 3, 2014 by sending your registration to:

European Water Association (EWA)

Mrs. Mona Lorvik  
lorvik@ewa-online.eu  
or fax: +49 2242 872 135

### Cancellation Policy (Please read carefully):

Participation fee (minus 25% administration fee) will only be reimbursed if the participant announces this in writing and the cancellation has reached the registration office 14 days prior to the conference (indicated by the postmark or date of email). In all other cases—including non-appearance at the conference—the full participation fee has to be paid. After informing the office, a substitute can be sent.

By registering to the conference the delegate has acknowledged and agreed to the above mentioned cancellation policy.

### Conference Venue

The conference and Seminar (18-19 November 2014) take place at the:

University Foundation  
Rue d'Egmont 11  
1000 Brussels

### Hotel accommodation

The EWA can assist you upon request to find a hotel close to the conference venue on preferential prices. In case you need help, please contact the EWA Secretariat.

For further information about the events and updates on the programme, please visit the conference website:

**EWA Brussels Days**

Join the European Water Association at the EWA Brussels days taking place from 17<sup>th</sup> until 19<sup>th</sup> of November 2014. During the three days of events, the EWA gives you the unique opportunity to take stock on the hot topics of the European water policy agenda.

**Water Policy of Tomorrow  
November 17, 2014**

Prelude to the 10th EWA Brussels Conference Event to be announced with a separate invitation.

After Keynote speeches by the European Commission and EU Parliament, the evening will continue with a panel discussion and a dinner – 10<sup>th</sup> Anniversary EWA Brussels Conference. The venue of the event will be announced in a separate invitation.

**10th EWA Brussels Conference “Water in the Cities”  
November 18, 2014**

The growing population, climate change and pollution are affecting strongly the availability of water in the cities. Water resources have to be managed efficiently at every stage and water management.

Held in cooperation with the DG Environment of the European Commission, the main objective of the annual EWA Brussels Conference is to establish a dialogue between the European Commission and European water professionals and stakeholders.

**EWA EU Water Policy Seminar II  
Future developments in water policy  
and implementation  
November 19, 2014**

The EWA Water Policy Seminar has during past years provided an overview on EU institutions, their interaction and decision-making processes, as well as possibilities, paths and legal rights for access to information and documents, and a summary of water-related policy and legislation.

**EWA EU Water Policy Seminar II**

Future developments in water policy and implementation  
By Dr. Helmut Blöch

**Event venue:**

Rue d’Egmont 11  
1000 Brussels

The EWA Water Policy Seminar II will cover

- Future developments in EU water policy – focus, expectations, concerns;
- The challenge of implementation – with emphasis on four key elements of water legislation
  - Water Framework Directive
  - Urban Waste Water Treatment Directive
  - Drinking Water Directive
  - Nitrates Directive.

The time schedule will allow for ample time for discussion and complementary questions.

The seminar aims at planners and decision makers at local, regional and national level, in municipalities and regional authorities and agencies, in branches of the water industry as well as in non-governmental organisations and stakeholder bodies.
